## Remembrance Day 2020

We held our 2020 Remembrance Day Service this year on our Ingleburn RSL Sub-Branch Memorial Gardens park to the current COVID Safe Plan. The Reverend Richard Mills was invited from Denham Court Anglican Church to conduct the services. Our President Graham Toll welcome all to the service and gave the Introduction.

The Commemorative Address was provided by Major Nigel Hinde from School of Military Engineering Combat Engineer Wing, Nigel gave a very enthralling address.

Wreath Laying was short and sweet this year.

President Sub-Branch – Graham Toll

President Women's Auxiliary – Barbara Lees

President Ingleburn RSL Club Board – Terry Goldsworthy

School of Military Engineering Maj Nigel Hinde and WSM.

We were again supported by School of Military Engineering for our Catafalque Party a polished effort again by the Engineers. Our Sub-Branch Team commanded by Jim Bucknall marched on the Flag party and was followed by the Catafalque Party.

Audio was excellent and many thanks goes to Nathan Fisher. We did not have a Medical incident but we were assisted by State Medical Assistance on site. Because of the COVID Safety requirements everyone had to sign in and this was greatly managed by our Committee Members – Well Done.

I felt the Bugler WO2 Stephen Johnson was excellent and Peter the Piper (Peter Jan) always gives a polished presentation.

For the last 8 years or so the Master of Ceremonies was supported by our current vice President Mr John D Lees with his retiring from the honorary Secretary Role this March 2020 the baton was handed over to me. John Advises I am now on my P plates he did not say whether they were red or green. My role was made easy with the Support provided by the Gardens and Park Team.

On Friday 27 November we hosted at the Sister Hultain Memorial Park Member for Macarthur Dr Mike Frelander MP and Shadow Minister for Defence HON Richard Marles MP. Again to the required COVID Safety Plan all attending had to sign in and sanitise their hands. We had a BBQ Bacon and Egg sandwiches without Park Chef Peter Mac at around 1030. The Sub Branch Committee and Park team were invited to represent the Sub- Branch, Dr Frelander was supported by the Shadow Minister for Defence on the day.
