

Congratulations to our Sub Branch member & Life Member Ray James for being awarded the OAM for service to Veterans and the community – Well done Ray.

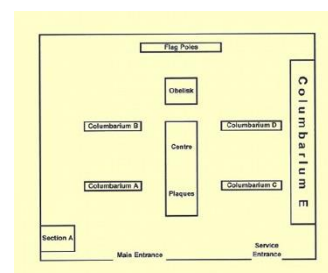

A lot has been going on since our last newsletter. Although we could not remember our fallen due to COVID-19 lockdown our Sub Branch gathered as a small number to remember Sister Hultain and Coral Balmoral.

The Battle of Coral–Balmoral (12 May – 6 June 1968) was a series of actions fought during the Vietnam War between the 1st Australian Task Force (1 ATF) and the North Vietnamese 7th Division and Viet Cong Main Force units, 40 kilometres (25 mi) north-east of [Saigon](#).

Are we on the map, well we certainly are recorded in the NSW Memorials Register, although the photos reflect we need to update. We can tap into Memorials funding in the future, but our Garden and Park teams is doing an excellent job in maintaining the Garden and Park weekly. John McCarthy a plantie (Plant operator) has supported us in tasking an array of photos on the Ingleburn RSL Sub Branch Memorial Garden and the Sister Hultain Memorial Park in line with Memorial Register photo guidelines. In the next several weeks the Register will be updated.

Our pond has changed since the Memorial was registered see the next page.

There looks like a fence with vegetation growing on it too, could it be possibly a Tennis court Fence?

The Memorial **RECORDED BY**

Secretary, Ingleburn RSL
SubBranch)

The second round was made prior to Mother's Day. These calls needed to be made over a full week as they were very keen to talk! Members indicated that they were generally coping with the situation ; keeping appointments ; and obtaining food and services as required.
