**Glenwood Public School Thank you Letter**

Thank you so much for inviting our School Captains to be a part of the Dawn Service at Ingleburn RSL. The event was wonderful. The organisation of everything was so well done and the memorial garden looked spectacular. My students presented our wreath with pride and took away knowledge about the meaning of ANZAC Day to share with their classmates. I was particularly impressed in how you

arranged for so many of the important roles to be performed by school students. The Captains from Ingleburn High were outstanding and made me proud to be a part of the public school system. My students were particularly delighted with the catafalque party.

Congratulations to you and your committee for providing such a special event for our community. It is very much appreciated by all from Glenwood Public School.

**Coral Balmoral Thank you – Phil Winter CEO RSL Australia**

Just a quick note to thank you for the invite to today's service, and to congratulate all at the Ingleburn RSL Sub-Branch for their work in making the commemorative occasion such a great event. The service was extremely well planned and conducted, and a great setting amidst all the hard work that has occurred to make the Memorial gardens area such a fitting commemorative site.

The new mural too is superb and great to have these in place to commemorate key military history events.

Congratulations, and thanks again to all involved in today's service.
